The City of LaGrange Animal Services is proud to be a partner of the Puppy Pipeline since its inception in 2007.

“The need for animals up north is in high demand due to the northern states having such a strict spay neuter law. Once the animals reach their destination they are spayed or neutered and placed up for adoption,”

said City of LaGrange Animal Services Supervisor Chris Bussey .

“We will be sending out over 50 animals on Puppy pipeline again tonight. This makes the 500<sup>th</sup> animal we’ve saved this year by using the Puppy Pipeline. We are very happy to save these lives.”

The animals sent on the Puppy Pipeline spend less than a week on the adoption floor before they find their forever home.
